Newsletter

Dear Parents/Carers,

It looks, and feels, like winter has arrived this week!

This week, has been a very exciting time for Miss Holliss, who runs our Oracy competition. Gloucestershire have been running the Look Who's Talking competition for a while now, and we are very proud of all the children that enter. Every year the children are growing in confidence with their oracy skills and this really highlights the increased presents of oracy in our school curriculum. The winners of each phase were: Phoebe in KS1 talking all about maths; Jacob in lower KS2 talking all about golf and Nany in upper KS2 talking about potatoes. What an amazing choice of topics!

Thursday saw the Year 5/6 children head up to the National Space Centre. The trip supports the child's learning in such a fantastic way. The planetarium brings to life our curriculum and enriches the learning that starts in the classroom in ways that just amaze the children. As always, our pupils were fantastic representatives of the school and followed our CARE statement throughout the whole day.

Just to clarify the Christmas Jumper Day is on the 11th December, and whilst we mention Christmas, thank you for all your great tombola prizes today. The prizes will be used to support FOBs and their Christmas Fair on Thursday. It is always one of our favourite evenings of the year with the school starting to feel very Christmassy.

Our choir will be singing at the village Christmas light switch on this evening, so if you are looking to kick off the festive mood this weekend, this will certainly put you in the spirit. The children have been practising hard and are very much looking forward to their performance.

Finally, thank you for the great response to our first one question parent survey. These snippets of information from the voice of our parents are an important way to support the communication between school and home. This week the focus is on extra-curricular clubs as this week was the last week of clubs for this block. Please follow the link below or on iPal to complete.

Have a lovely weekend.

Kind regards,

Mrs Kilbey & Mrs Connor
