## Newsletter

Dear Parents/Carers,

This week we have certainly started the festivities.

Firstly, we would like to say a massive thank you to Jo and Jen the co-chairs of FOBs and all of their fantastic FOBs members for organising such a wonderful Christmas Fair on Thursday evening. It is always lovely to see so many members of our school community having fun together. There were lots of excited children in school today after a meeting with the Big Fello' himself. Thank you to everyone who supported FOBs and the school by attending.

Last Friday, we had some wonderful feedback about the children's performance at the light switch on in the village. The children worked very hard along with Mrs Farrington to provide the best performance.

This morning all of the children got to experience the annual Festive Pantomime. Again, this needs a huge thank you to FOBs who raise the funds every year to treat the children to such a wonderful experience. This year it was Dick Whittington, and as the hall is right outside our office, we know first hand the children had an amazing time.

This week we had a team of 9 Year 6 boys attend Cirencester Primary School for a football tournament. We competed against lots of other large schools across Gloucestershire, and the boys did a fantastic job. They showed respect and challenged themselves throughout the day. They finished 6<sup>th</sup> overall out of 17 teams with a dramatic final clash, beating the team at the top of the league 2-0! Well done to all.

The booking window on iPal has now opened for the Christmas holiday club. Mrs Jones has been working hard on a timetable of lovely fun activities, so please book your place if you require your child/ren to attend.

Finally, we would like to take the opportunity again to thank everyone for answering our parent survey one question. It is wonderful that even more parents have answered this week. We have fed back all your answers from the first week to our Governors and there will be further information to follow.

This week's question is focusing on our CARE statement. We refer to this a lot around school, in class and throughout the day, and we believe it supports the positive ethos in our school. We wondered if this is used at home and if you know what it means, so please find the question below:
