Newsletter

Dear Parents/Carers,

Next week will see our festive productions for KS1 and KS2. Every year the children work so hard to put on the best performance, and all the practising becomes worthwhile. All of the productions will take place down at the church, and Rev. Hannah has asked us to remind everyone that donations towards the church are very welcome. There will be a place to donate cash on the table as you come in or using the chip and pin machine. The church is fantastic for allowing us to use it as a community space and these donations will go towards this remaining possible.

This week, Judy and Bob from the Rotary Club joined us in assembly to announce the winners of their Art competition. The theme focused on nature in art and was open to all the KS2 children. Well done to all the winners, Noah, Theo and Grace. Also, Chloe for entering their writing competition and doing a fantastic job.

During the week the children discuss current affairs and what is happening in the world after watching the CBBC productions of Newsround. The decision made by Australia this week to ban all under 16-year-olds from certain social media platforms has featured multiple times and may start a good discussion point with your children at home over the weekend.

Twice every month the church holds the Dementia Friendly Café. This week our choir will be performing and sharing some of their wonderful Christmas spirit with those who will attend.

In the spirit of this season, our families have also done a fantastic job to raise more funds for Save the Children by joining in with yesterday's Christmas Jumper Day. The children and staff looked amazing, and festive! Well done for taking part.

This week, the Year 5/6 teams delivered outstanding performances at the recent dodgeball tournament, showing impressive teamwork, quick reactions, and great sportsmanship throughout. They battled through a league format with determination, demonstrating strong tactical play and excellent communication. Their hard work paid off as our teams finished top of each league.

Finally, we want to say well done to our year 6 children who took part in bike-ability this week. The instructors will go out no matter the weather and this week they did, during very tricky conditions. The feedback was how great the children did, and followed our CARE statement by listen well and following instructions throughout.

Last week's question focused on our CARE statement. However, we have realised there was an issue with the link. We will repeat the question, so please find the link below if you are reading the newsletter on line, or if you are reading from a paper copy, the school office will forward out the link on iPads:

[Newsletter Survey 3 - 05.12.2025 – Fill out form](#)

Have a lovely weekend.

Kind regards,

Mrs Kilbey & Mrs Connor
