## Newsletter

Dear Parents/Carers,

Can you believe we are at the end of the term?

Firstly, we would like to thank all of our parents and members of the school community for your on-going support this term. Attending our open days, meeting for parents' evenings, supporting our trips and residentials and helping FOBs to raise funds for the school, have helped us have such a fantastic Autumn Term.

For anyone that attended the KS1 and KS2 Christmas performances, we're sure you would agree how amazing all of the children were. Their performances were clear, well-practised and confident. We certainly felt very proud, and very Christmassy, after each and everyone, especially our evening Christmas celebration – thank you to all who returned to celebrate together.

The office has asked to remind people to sign up for their January hot dinners and wrap-around care. Clubs for the Spring term are now available to book on iPal. Once the club is full, the booking for that club will close. Please be aware you are signing up for the full ten weeks. Also, there is still spaces in our Christmas holiday club for the 22<sup>nd</sup>, 23<sup>rd</sup>, 29<sup>th</sup>, 30<sup>th</sup>.

Mrs Hindle-Cooper has set the children a mental maths holiday challenge to see how many certificates she can hand out on the first week of term for Numbots and TTRS. It is recommended that children practise little and often so just 5/10 minutes daily will see those mental maths facts embedded in their long-term memories.

Every year the wonderful people at Harrison Hardie support the school, and this year they ran their colouring competition. Well done to the two boys who won! And, thank you again to Harrison Hardie for your on-going support.

Finally, if you are looking for term dates and information on next term's learning for your children's class, then please refer to the class pages on the school website. They will be updated with new information before we return to school and you can find everything from PE days to Homework grids on there.

We return to school on Tuesday 6<sup>th</sup> January. Please everyone of our families have a wonderful winter break and if you are celebrating the festivities a fantastic Christmas.

Kind regards,

**Mrs Kilbey & Mrs Connor**
