Newsletter

Dear Parents/Carers,

Well, the rain still hasn't stopped; let's hope we have a break in the clouds for half-term.

This week, Mrs Townsend has started to teach the children gymnastics with the use of the wall bars and other pieces of apparatus. It is always wonderful to watch the children grow with confidence as they practice their routines up in the air. We would like to remind you that children will need to wear shorts for these PE sessions for safety and so they can grip the bars. If it is still chilly, they are welcome to wear these under joggers that can be removed for the session.

Well done to the four Year 5/6 teams that competed at Quicksticks Hockey on Monday. All of the participants played a great game and showed great sportsmanship and respect. They all did fantastically well, but well done to our top finishing team who came 3rd out of 16 teams.

Some of you may have noticed our student teacher Mr Frith, who has been working in KS1. For many years, we have built a strong, professional collaboration with the University of Gloucestershire and the University of Worcester. We have supported the development of many teachers, including many of our current ones such myself, Mrs Gittins and Mr Prosser. This week we say goodbye and good luck to Mr Frith, and welcome Miss Fitzpatrick and Mrs Warren, who will be stating their placements in Year 2 and Reception respectively.

The times have gone out this week to sign up for parents' evening, so please do that through iPal if you are yet to book a slot. Also, bookings are still available for Holiday Club again through iPal for the February half term. Mrs Jones has arranged a lovely selection of fun activities to keep everyone busy.

Finally, a big well done to everyone in Endeavor house. They are our house points winners. They will be able to wear non-school uniform and come to school in their house colours on Thursday 26th February, which is the first Thursday back in school. Although Endeavor was our overall winner, the house points totals were incredible again, and this just highlights what an amazing job the children do at following our CARE statement.

Have a lovely half term; school will reopen on Monday 23rd February.

Kind regards

Mrs Kilbey & Mrs Connor
