Newsletter

Dear Parents/Carers,

It has been an amazing term. The children's attitude towards their learning has been excellent, and this was highlighted today during our Star of the Term assembly.

The house champions for this term are **Endeavor**. A huge well done to them but also to all of the children. Between them they earned over 2,300 house points. What an amazing achievement in five weeks. Endeavor house will have a non-uniform day, where they can wear red, the first Thursday back in school on the 16th to celebrate their hard-work.

During assembly, the children also had their end of term reminder about being safe during the holidays. This is relation to in the home with online safety but also when they are out of the home. In addition to this, it would be great if you could have road safety discussions with the children and remind them how to stay safe on the road. A few parents have noticed older children walking home alone making unsafe choices on the roads, and we want to ensure everyone stays safe.

This week the children also experienced some fantastic drama productions preformed by their peers. The children attend Sarah Dowie's youth theatre and it was a lovely opportunity to perform their shows to their friends. We know the children had a great time watching them.

An up-and-coming date for your diaries is Wednesday 22nd April when we have Tempest in for the class photos. All children will need to arrive at school in their uniform and if they have PE that day bring their kit to change into. The school website has all of our up-coming dates for the term so please take a look. As well as the class pages which will be up-dated before the first day of each term. This will let you know the children's learning for the term ahead and any important dates that are applicable to your child's class.

Finally, thank you for all of your fantastic support this term. The children have done an amazing job with their learning, but also as a community we have supported charities and raised much needed funds for the school. Something that makes all the difference when supporting our school and we couldn't do it without you. We hope you all enjoy our little 'Easter Surprise', and have a wonderful break. We look forward to seeing all of our families back on Monday 13th April.

Kind regards

Mrs Kilbey & Mrs Connor
